

AVPL GL - Globe Series

Description

This traditional Globe is an inexpensive solution for a variety of lighting applications. The GL series by AV Poles and Lighting is ideal for commercial, municipal, and design build applications.

Materials

Available with clear smooth or smooth opal lens in either acrylic or polycarbonate construction.

Medium base porcelain socket.

Cast aluminum fitter.

TGIC thermoset polyester powder coat finish is electrostatically applied at a 3.0 mil nominal thickness. A five stage metal pre-treatment process and sealer provide maximum corrosion resistance. The powder top coat is baked in excess of 400 degrees for supreme endurance.
