

NE9™

Neon Rope Light

Beyond LEDs newest NE9 flexible Neon Rope Lights are the highest quality rope light in the market. Swap traditional neon glass tubes for these durable, flexible LED neon strip lights and stand out from the rest. Drawing from minimal power, these strips produce a continuous line of striking single-color or white neon light. Shatterproof and watertight, they are rated for use outdoors and in damp locations. A straight power cord and a pigtail connector are included for simple plug-and-play installation. Designed with a sleek jacket housing, NE9 Rope is ideal for enhancing the overall appearance of commercial buildings

Product Features
