Zippy Kit

PT-ZIPCR-S-30

Convert your existing lighting fixtures to bright and efficient LED lighting. Zippy Kits come with mounting tabs that allow the LED plates to be easily mounted in a variety of fixtures from downlights to parking lot lights.

FEATURES

- Energy efficient LED light engine offers high lumen output as well as high efficacy
- Kit Includes universal mounting plate combined with Magic Tabs for unlimited fixture applications
- Compact and optimized LED board for concentrated and powerful lighting distribution
- 30-Watt design with standard round base plate and Edison based E26 format
- Three color temperatures available. (5000K, 4000K & 3000K)
- 5 Year Warranty

Magic tabs for easy installation.

PERFORMANCE RATINGS AND CERTIFICATIONS

UL 1598, CSA C22.2#250.0

PERFORMANCE SUMMARY

Lumens: 5050

Lumens per Watt: 149.5

Power Consumption-Watts: 33.78

CRI-Minimum: 80

CCT: 5000, 4000 (Optional), 3000 (Optional)

Operating Environment: -40C to +50C ambient, non-condensing

KIT INFORMATION

Finish: Aluminium

Mounting: Magic Tabs

Dimensions: Diameter: 6.25" x 3.88"

ELECTRICAL SYSTEM CHARACTERIZATIONS

Voltage: 120 - 277VAC

Dimming: 1-10VDC

Power Factor: >0.90

Total Harmonic Distortion: <20%

WARRANTY

Standard limited 5-year warranty. Optional 10-year warranty available. Contact LLT for more details.

ORDERING MATRIX

Example: PT-ZIPCR-S-30-50-MT-E26

Family	Product	Board Shape	Watts	Color Temp	Voltage	Connection
PT	ZIPCR	S	30		MT	E26

PT = PerformTech ZIPCR = Zippy Kit Circle S = Square 30 = 30 Watt 50 = 5000K MT = Multi-Tap E26 = Edison Base

Options:

☐ 30 = 3000K

☐ 40 = 4000K
