

E40/E27 LED Pizza Light Series

Mechanical Specification

E40 Base

Product Features

- Fins aluminum heat dissipation system and no fan inside (PATENT design).
- Protections: Short circuit / Over current/ Over temperature.
- It's major to replace the Metal Halide/HPS/CFL with screwed lamp base directly.

Applications

- High/Low Bay Lighting/Sports Lighting/Factories Lighting
- Residential /Institution Buildings/Conference
- Other applications

Item No.	Electrical Specifications			Optical Specifications					Size (mm)	Base
	Input Voltage (V)	Rated Power (W)	Power Factor	Light Source	CRI	Color Temperature (K)	Luminous Flux (lm)	Replacement
