

ALL IN ONE SOLAR STREET LIGHT

SPECIFICATION

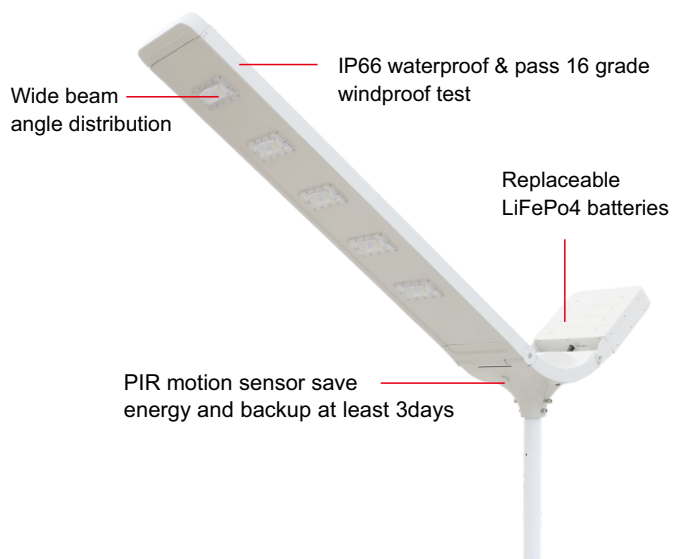

(BATMAN SERIES)

**SASO UN38.3 IP66**

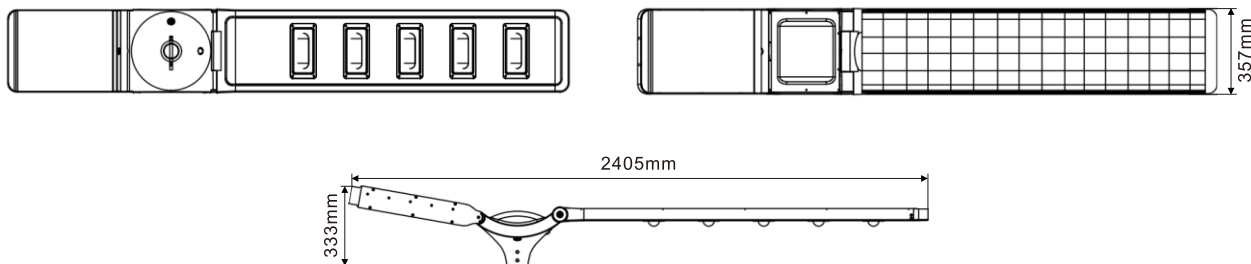

Product Name	Batman series
Model Number	BMS-120-5Y
Valid From	2019/11/13

Parameters

Model No.	BMS-120-5Y
Light Output	120W
LiFePO4 Power Battery	576WH
Light Efficiency	12000 lm
LED Chip	
Warranty	5 Years
CCT	5000K-6500K
Beam Angle	157X60 degree
Lamp Angle	0/30 degree
Backup Time	3 nights
Dim Mode	First 3 hours full brightness, last 9 hours in dimmable mode(60% brightness with people, 30% brightness without people)
Working Temperature	-10°C to 70°C
Charging Time	9 - 11 hours
Required Pole Size:	60 mm(top end)
Installation Height	8 - 10m
Recommended Mounting Distance	30 m

Product size & Packing info
