

10W

**LED** **CEILING LIGHT**

Perfect for kitchen units, shop windows, under shelf lighting, wall cabinets, workstations, hallways and stairs, kitchen furniture, showcases, underbody lighting, cabinets, etc.

### ▶ Features

We have a large selection of models of LED bulbs that can be adapted to any need of lighting or decoration.

Unlike energy-saving bulbs or other lighting types, the LED light illuminates immediately after pressing the power switch and illuminates any room quickly and evenly.
